## SUMMARY

Motivated and passionate 3rd-year Software Engineering student at Debre Birhan University, deeply engaged in front-end development and tech content creation. Active member of the Techtonic Tribe club, where I contribute educational and inspiring content for tech students. Experienced in building responsive, user-centered web projects using HTML, CSS, and JavaScript, and continually exploring new tools and frameworks. Dedicated to growing through community involvement, hands-on projects, and a lifelong love for technology.

---

## Skills

### Technical Skills

- **Front-End Development:** HTML, CSS, JavaScript, React
- **Tools & Technologies:** Git, GitHub, Visual Studio Code

### Soft Skills

- Leadership
  - Communication
  - Creativity
  - Teamwork
  - Problem Solving
- 

## Experience

### Tech Content Creator

*Techtonic Tribe Club · Debre Birhan University*

**June 2023 – Present**

- Created and published educational tech content tailored for students and beginners.
- Collaborated with fellow club members to organize tech events, coding sessions, and peer-learning initiatives.
- Boosted student engagement through clear, beginner-friendly tutorials and informative posts.

## Experience
